

Donate items to an agency in need

One of the most recognizable ways we give back is through the FedEx Cares purple tote bag. It's a great way to participate while giving essential supplies to those in need.

To get started, here's what you need to do:

- Identify an agency in need
- Email fedexcares@fedex.com to request the link for ordering purple tote bags
- Fill out the **project support form** to request purple tote bags. Collect the items and deliver them to an agency in need.
- Capture pictures of your delivery and post them on your social media channels using @FedEx and #FedExCares

Get inspired by these sample tote items:

- Canned food items for your local food pantry to help feed a hungry family
- Books for your local literacy organization to help an adult learn to read
- Art supplies for your local children's charity to boost a child's creativity
- Tools for a local nonprofit to help build a house for a family in need
- Baby formula for a local shelter to feed a child
- School supplies for a local nonprofit to help prepare a child for school
